Øvrige informationer

Alle Silestone[®] varianter fås som råplader i standardstørrelse (op til 306 x 140 cm). Ydermere fås udvalgte farver i jumbostørrelse (327 x 159 cm).

Silestone[®] har en lang række fordele. Materialet er pletafvisende, ridsefast, har en lav vandabsorption -og kræver minimal vedligeholdelse. Du kan finde mere om Silestone[®] her:
